Important things to know -

All volunteers with North Staffs LinkLine will be CRB checked. We support vulnerable adults in the community and feel that this is both appropriate as well as a legal requirement.

Please consider that it will be important to be able to commit to regular hours, in order that you will be able to maintain the valuable and regular one to one contact that is needed by our Clients.

This commitment can be once a week or more often if suitable for about 3 hours each session. We are open each weekday, either in the mornings from 9.30 to 12.30, or afternoons 1.00 to 3.00 to suit both your needs and those of the Clients we contact.

Full training will be given and you will be able to work alongside a volunteer so that you can become familiar with our work before going live and making calls on your own.

Please contact Sue McKenna on 01782 710436 should you wish to discuss this in more depth.

Thank you!
